Dear Mr. Patel:

The attached pages are in reference to Stock Trading Limit Order Coupled Link (LOCK), patent application no. 09/874,070, Art Unit 3693. Per our interview on Thursday, 14 February 2008, I have redrafted the claims for my LOCK invention and am faxing them to you for your review. Per our conversation, I hope that this puts my invention in a position for allowance. If you have any questions, please call me at 703.969.5765.

Sincerely,

Robert W. Kocher
